

WHAT ANIMALS ARE THESE ZOOMED IN PICTURES FROM?

(NO PEEKING IN THE BOOK!)

MY ZOOM-IN DISCOVERY!

CHOOSE A SMALL PART OF NATURE AROUND YOU (A LEAF, A STONE, A FLOWER, A BUG – BE GENTLE!)

ZOOM IN

LOOK AT IT VERY CLOSELY. WHAT COLOURS, SHAPES, TEXTURES, AND DETAILS DO YOU SEE?

DRAW WHAT YOU OBSERVE.

ZOOM OUT

NOW THINK ABOUT WHERE YOU FOUND IT. WHAT ARE ITS SURROUNDINGS LIKE? WHAT OTHER THINGS ARE NEARBY? HOW DOES YOUR SMALL DISCOVERY FIT INTO THE BIGGER PICTURE OF ITS ENVIRONMENT?

WRITE A SENTENCE OR TWO ABOUT IT.
